PARKING GARAGE IN RENAISSANCE PROJECT AREA FOR CITY OF SPARTANBURG

REQUEST FOR QUALIFICATIONS
BID NO. 0809-01-29-01

Notice is hereby given that the City of Spartanburg is planning for the construction of a parking garage in the Renaissance Project area near the intersection of East Saint John Street & Liberty Street. The City is seeking proposals from engineering firms that have had significant experiences in parking garage designs. The City anticipates entering into a development agreement with the University of South Carolina Upstate to relocate its College of Business Administration to a site near the location of the proposed parking garage. The City expects to construct a parking garage that will support the Upstate project and other nearby development that is expected to occur in the area.

The City of Spartanburg hereby notifies all proposers that it will affirmatively ensure that all disadvantaged and women's business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of gender, race, color, or national origin in consideration for an award.

The City of Spartanburg reserves the right to reject any or all bids or to waive any informality in the qualifications process. Bids may be held by the City of Spartanburg for a period not to exceed sixty (60) days from the date of the opening of Bids for the purpose of reviewing the Bids and investigating the qualifications of prospective parties, prior to awarding of the Contract. The vendor that is awarded the bid will be required to obtain a City of Spartanburg Business License.

Interested parties should contact the procurement office at (864) 596-2049 to request a complete bid package. Bid details can also be obtained through the City's Procurement web page located at www.cityofspartanburg.org. Follow the link for Invitation for Bids.

Sealed bids shall be submitted to Carl F. Wright, Procurement and Property Manager, on or before Tuesday, January 29, 2008, City Hall, 145 West Broad Street, at which time they will be publicly opened and read aloud in the Training Room, same location.

Technical questions regarding the scope of services should be directed to David Cook, Construction Project Manager, (864) 562-4398 or dcook@cityofspartanburg.org. Questions regarding the RFQ process should be directed to Carl Wright, Procurement & Property Manager, (864) 596-2790 or cwright@cityofspartanburg.org.

Bids can be hand delivered or mailed to:
City of Spartanburg
Attn.: Procurement & Property Division
PO Box 5107
145 West Broad Street
Spartanburg, S. C. 29304

The following bid number must be placed on the outer envelope in order for the bid to be stamped in as accepted on time: Bid No. 0809-01-29-01

Only those contractors whose team of subcontractors & supervisory personnel have significant experience & have been pre-qualified in streetscape construction including landscaping, bluestone & under ground utility construction will be allowed to bid on the project. Potential bidders shall have a proven history of meeting regimented construction schedules and shall have considerable experience with performing utility relocations, concrete work, and asphalt paving in confined urban sites with limited access. The City of Charleston's Department of Parks intends to qualify firms for each element of the work independently, thus a firm may request to be qualified as a prime contractor or a subcontractor or both. Firms may be pre-qualified as both prime and subcontractors. Prime contractors must use pre-qualified subcontractors if they chose not to perform the work themselves or are not pre-qualified to perform the work themselves. This project will fall under the City's "Good Faith Effort" minority business enterprise program. The City's goal is to have a 20% combined Minority Business Enterprise and Women Business Enterprise participation on this project. The streetscape project will be released for bid in the spring of 2008.

Description: Generally, the work of this project consists of replacing existing water & sewer work in conjunction with Charleston Water System, raising existing granite curbs, installing underground electrical items, replacing the concrete sidewalks with bluestone pavers, milling & repaving the existing roadway, and upgrades to the existing traffic signals. The work will include:

- Replacing water utility lines and service lines to businesses and rehabilitation of sewer lines (estimated at \$1,200,000 of the overall project costs)
- Completing landscaping, sidewalks, tree wells, and bluestone pavers to match Middle and Upper King Street Streetscape projects
- Installation of underground electrical utility lines
- Installation of lighting fixture bases
- Milling and repaving King Street from Market Street to Broad Street
- Replacement of traffic signals on King Street at the Market Street, Queen Street, and Broad Street intersections
- All associated project scheduling, traffic control and public information management

Budget: Construction costs for this project are expected to be in the range of \$4,400,000 to \$5,700,000.

Forms: General contractors requesting to bid on this project should use AIA Document A305-1986 "Contractor's Qualification Statement". Completed forms must be received by 2:00 pm, January 24, 2008, to be considered. Please submit the forms in a sealed envelope with the firm's name clearly legible on the front, along with the project title "CP0217C1 Lower King Street Streetscape." Subcontractors requesting to perform electrical work, landscaping, bluestone installation, asphalt and underground utility work should also submit an AIA Document A305-1986 including a list of four successful projects with similar specifications. Note: All contractors who desire to be pre-qualified for the water distribution improvements portion of this project must be on the Charleston Water System's approved contractors' list. All contractors who desire to be pre-qualified for the electrical portion of the project must be approved by South

Carolina Electric and Gas Company. All contractors who desire to be pre-qualified for the asphalt paving portion of the project must be SCDOT approved contractors. All contractors that desire to be pre-qualified for the installation of bluestone, granite curbs, and landscaping must be approved by and meet the minimum standards of the City of Charleston's Department of Parks. All contractors who desire to be pre-qualified for the traffic signal portion of the work must be SCDOT approved traffic signal contractors.

Engineer: Davis & Floyd, Inc., PO Box 61599, Charleston, SC 29419, (843) 554-8602, Fax (843) 747-6485, webbb@davisfloyd.com

Forms Are Due no later than 2:00 pm January 24, 2008.

Project : MAIN STREET IMPROVEMENTS, PHASE TWO, GREENWOOD, SC

Owner: City of Greenwood, PO Box 40, Greenwood, SC 29648

Receipt Of Bids: Separate sealed bids for the construction of the above-referenced project will be received by the Owner, the Office of the Engineer, 1319 Hwy. 72 / 221 East, Greenwood, SC 29649, until 2:00 pm, February 12, 2008, local time, at place of bidding, & at said office will be publicly opened & read aloud.

Project Description: Construction includes the installation of several decorative concrete crosswalks on Main Street between Maxwell Avenue & Court Avenue. The project will include demolition of asphalt pavement to be replaced by the crosswalks. In addition, sidewalk ramps which will service the crosswalks will be installed or improved to current SCDOT and ADA specifications. Also, crosswalk PED heads will be installed to provide safety for pedestrians. The contractor will be responsible for all construction activity as well as maintaining a safe traffic pattern. The contractor shall bid on the traffic control plan included in the drawings. After award of bid, the contractor may elect to negotiate any alternate traffic control plans if there are no additional cost generated.

Document Examination: The contract documents may be examined at the Associated General Contractors' Office in Columbia & Greenville, SC & at F. W. Dodge Co. in Columbia & Greenville, SC

Mandatory Pre-Bid Conference: A mandatory pre-bid conference will be held at 10:00 am, local time, on Thursday, January 24, 2008, at the office of the Owner, City of Greenwood, Municipal Building, 520 Monument St., Conference Room 230, Greenwood, South Carolina.

Due To The Degree Of Coordination Required on the project, it shall be mandatory that a representative of the contractor be in attendance at the pre-bid conference. Minutes of the meeting will be sent to all present. Receipt of these minutes must be acknowledged in the bid.

The Engineer Will Issue an addendum prior to bid opening listing all contractors who were in

attendance at the pre-bid conference and are therefore eligible to bid on this project.

The Name Of The Representative in attendance must be shown below the contractor's license numbers on the bid form and on the face of the sealed envelope containing the submitted bid.

Document Availability: Copies of the contract documents may be obtained by a request in writing to Davis & Floyd Inc., 1319 Reynolds Street Extension, PO Drawer 428, Greenwood, South Carolina 29648. No deposit is required.

Security: Each bid must be accompanied by a certified check or cashier's check of the bidder, or by a bid bond made payable to the owner, for an amount equal to not less than 5 percent of the total bid as a guarantee that, if the bid is accepted, the required agreement will be executed and that a 100% performance bond, 100% payment bond, and an acceptable certificate of insurance will be furnished.

Owner's Rights: The Owner reserves the right to waive any informalities in bidding and to reject any or all bids if it is in the Owner's best interest to do so. Unless all bids are rejected, award will be to the low responsive, responsible bidder.
